

Adult leaders in BSA complete Youth Protection Training every two years. In order to ensure we are providing our Scouts with the safest environment, we need ALL adults who attend campouts to complete **Youth Protection Training** *before the event*.

When training is completed, you will receive an email with your certificate of completion. Forward that email to the Pack Committee Chair (pack90committeechair@gmail.com).

Training is done online through BSA, and should not take more than 90 minutes. We believe this time is worth the safety of our Scouts.

Here is how to complete your training:

- Go to [my.scouting.org](https://my.scouting.org)'s [Youth Protection Training page](#)
- If you already have a Scoutbook account, you will use the login and password you use for Scoutbook to login.
  - If you've forgotten your Scoutbook login and password, select "forgotten username/password"
- If you do not have a Scoutbook account, select "Create an Account"
- Once your account is created, you can return to the [Youth Protection Training page](#) and start your training.
  - You do not have to complete the training in one session. Your progress will save.
